Israelis Due To Balk Over Dag Demand

UN Lender Talks With Nasser, Asks Negeb Evacuation

CAIRO, Egypt (U.S. Sec.)—Secretary General Dag Hammarskjöld is reported demanding Israeli withdrawal from the El Ajia triangle in the Negeb Desert as an essential step toward Israeli-Egyptian peace.

Israel is expected to refuse. Hammarskjöld today went into the second day of his conference with Egyptian officials on the operation of the Suez Canal and Israeli-Arab tensions threatening a renewal of Middle East fighting.

The secretary general met for six hours last night with Egyptian President Nasser. He and his aides refused to say what was discussed, but other sources indicated the meeting was devoted mainly to each man's feeling out the other's position.

Hammarskjöld's reported belief that the Israelis must quit the El Ajia triangle is in line with his firm view that both Israel and the Arabs must adhere strictly to the 1949 armistice, which ended the Palestine War, if friction is to be reduced.

The 19-mile-long El Ajia triangle lies along the border between Egypt's Sinai Peninsula and Israel's Negeb territory. Because it straddles some much-used desert trails, the armistice said it should be demilitarized.

In 1955 the Egyptians accused the Israelis of occupying the triangle. The Israelis countered by saying they had sent in only police units for protection because Egyptian troops had taken up positions close to the border on the Sinai side.

Pontiff Gives 'Liberal' Rules For Catholics

VATICAN CITY (U.S. Sec.)—Pope Pius XII has liberalized rules for evening Mass and the communion fast to meet changing conditions of modern life.

The new rulings announced today extend liberalizations that he made in 1953. They become effective next Monday.

The Pope now gives Roman Catholic bishops the right to celebrate evening Mass daily "so long as it is required for the spiritual welfare of a considerable number of people."

67 Americans Aboard

Sea And Air Search For Plane Widened

TOKYO (U.S. Sec.)—A huge U. S. military transport plane with 67 Americans aboard disappeared early today off Japan as it neared the end of its transpacific flight.

Low clouds and rain squalls and towering 30-foot swells reduced visibility almost to zero for searching ships of the U. S. Navy and Japanese coast guard.

Some Japanese aviation experts speculated the plane might have crashed on one of a chain of volcanic islands southeast of Tokyo.

The four-engine C-97, military version of the Douglas Stratocruiser, left Wake Island yesterday afternoon for Tokyo on the last leg of a flight from Travis Air Force Base near San Francisco, Calif.

The Air Force said 57 passengers and a crew of 10 were aboard the plane, with the passengers including 27 Air Force personnel; 17 Americans and 10 Navy men; 2 civilian government employees, both men; and a woman military dependent, presumably the wife of a serviceman stationed in Japan.

The crew, which included at least one woman, all were members of the Air Force. The plane was operated by the Military Air Transport Service (MATS).

The plane's last reported position was 200 miles southeast of the big MATS terminal in Tokyo, at 12:15 a.m. (10:15 a.m., EST, Thursday). The radio report gave no indication of any trouble and the plane was expected in Tokyo on schedule, two hours later.

The Air Force said the plane had enough fuel for only about 3½ hours flying past its scheduled arrival time.

As soon as the plane was overdue, a sea and air search was launched in the predawn darkness. Life rafts aboard the plane were equipped with flares and flashlights and most rafts aboard transpacific planes carry emergency radio transmitters for broadcasting SOS signals.

Throughout the day, however, monitors picked up no distress calls.

One expert said if the plane did ditch in 30-foot seas, it almost certainly cracked up and sank quickly, possibly before life rafts could be launched.

"Only God could ditch successfully in seas like that," he said. The C-97 was the eighth large plane to go down in the Far East since Feb. 22. In the seven previous crashes, 85 persons were listed as dead or missing, including President Ramon Magsaysay of the Philippines.

Travis Air Base announced the names of seven men and one woman in the plane crew, without holding the name of the other two crewmen until their families were notified.

Paper Says Study Shows Smoking And Cancer Link

ATLANTA (U.S. Sec.)—The Atlanta Constitution said today in a copy-righted story that a scientific study group has found that cigarette smoking "beyond a reasonable doubt is a causative factor in the rapidly increasing incidence" of lung cancer.

The newspaper said it had obtained exclusively a "highly confidential and not yet officially released" copy of the report which, it said, "establishes the most positive cause-effect link between cigarette smoking and lung cancer by a scientific group to date."

The scientific study group was set up by the American Cancer

Society, the National Cancer Institute, the American Heart Assn. and the National Heart Institute, and was made up of seven scientists, including Dr. Rolla E. Dyer, director of research at Atlanta's Emory University.

The scientists found no convincing evidence that smoking is a cause of heart disease, the paper said.

The report stated: "Lung cancer occurs much more frequently (5 to 15 times) among cigarette smokers than among nonsmokers, and there is a direct relationship between the incidence of lung cancer and the amount smoked."

Boss Of Teamsters Pleads 'Not Guilty'

Macmillan, Ike Discuss Atomic Aid

Reach Agreement On Problems In Mideast Sectors

BULLETIN

TUCKER'S TOWN, Bermuda (U.S. Sec.)—President Eisenhower called in his top military and diplomatic advisers today to shape plans for assuring Prime Minister Macmillan that the United States will help Britain develop a streamlined army with atomic striking power.

By JOHN M. HIGHTOWER
TUCKER'S TOWN, Bermuda (U.S. Sec.)—President Eisenhower and Prime Minister Macmillan turned today to ways of boosting Britain's atomic military might after reaching a "gratifying measure of agreement" on the whole range of complex Middle East problems.

Officials said the military issues built down to how much Britain is going to cut its forces and what can be done to increase the power of those remaining in uniform by providing them with atomic weapons.

Eisenhower was expected to assure Macmillan of U.S. help in developing a more powerful force with fewer men under arms.

U. S. Still Backs Dag
After four hours of negotiations in two sessions on the Middle East, spokesmen for the President and Prime Minister announced they had discovered a "gratifying measure of agreement."

U.S. officials stressed, however, that for the moment the United States is backing U.N. Secretary General Dag Hammarskjöld fully in his Cairo talks with Egyptian President Nasser and that no final decision will be made until Hammarskjöld has reported to the United Nations.

The Middle East ground covered in yesterday's opening sessions of the Big Two Bermuda meeting included consideration of a suggested formula for resolving the immediate problem of the Gaza Strip by getting U.N. Emergency Force troops spotted at key points on both sides of the Israeli-Gaza border. The plan also would make the U.N. force responsible for security inside the strip, with Egyptian retaining civilian administration of the area.

To Study Pipeline Project
Israel has in the past refused to agree to proposals for putting U.N. troops on its soil and has said the way must not be left open for Egypt to use Gaza again as a base for raids into Israel.

The two leaders also agreed a joint committee of experts would study a British proposal for promoting construction of an Iraqi-Turkey pipeline, with the prime purpose of lessening the dependence of oil producing and consuming nations on the Persian Gulf.

Dead Tot's Eyes Bring Sight To Two In New York

NEW YORK (U.S. Sec.)—Two New Yorkers are seeing through the eyes of a baby who died last Friday.

The infant, Philip J. Horton Jr., died of an incurable spinal condition at Riverhead, N.Y. He was 34 days old.

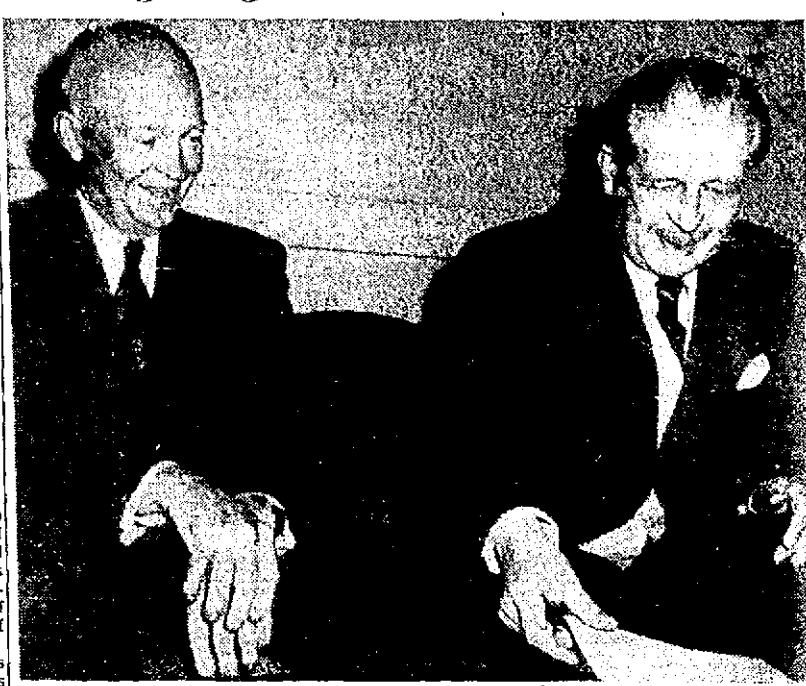

The parents, who reside in Cutchogue, N. Y., were determined that their dead son should benefit the sightless. Corneal transplants must be used within 48 hours after death.

When no means were found to get their child's corneas to New York in a hurry, Mr. and Mrs. Horton drove the 75 miles by car to the Eye Bank for Sight Restoration in Manhattan.

TUCKER'S TOWN, Bermuda (U.S. Sec.)—President Eisenhower today announced the nomination of Ambassador to Russia Charles E. Bohlen to be Ambassador to the Philippines.

Setting Stage For Bermuda Talks

President Dwight D. Eisenhower and British Prime Minister Harold Macmillan chuckle as latter arranges papers on table at Mid-Ocean Club in Bermuda. Four-day talks started yesterday. They expressed confidence the talks will help to shore up relations between the two nations and rejected any idea of trying to place blame for differences. (AP Photofax)

Nixon Wants U. S. Hike Aid For Refugees

WASHINGTON (U.S. Sec.)—Vice President Nixon, back from a 22-day good will tour of Africa, is expected to urge strong American efforts to solve the Arab refugee problem.

Nixon returned yesterday with a 20,000-mile flying trip which took him to eight nations. He was tired and suffering from a head cold. But he perked up when he and his wife received an affectionate airport greeting from their two daughters, Patricia, 10, and Julie, 8.

After alighting from the big Air Force plane that brought him home, Nixon said he was "overwhelmed with friendship" in all the lands he visited.

But remarks he made in reports during the 23-hour flight to Washington showed he regarded the refugee problem as of primary importance to any solution of the Middle East dilemma.

The question of the 900,000 Arab refugees from Palestine arose again and again in the Arab countries he visited in Africa.

Living Costs Again Climb

WASHINGTON (U.S. Sec.)—The cost of living jumped another four-tenths of one per cent in February to its sixth straight record, the Labor Department reported today.

The consumer price index advanced to 118.7 per cent of the 1917-19 average, the Bureau of Labor Statistics said.

This culminated a 3.6 per cent advance over the past year. It meant that the typical city family was paying about \$1.03½ for the goods and services that cost \$1 in February, 1956.

The buying power of the factory worker's pay check declined.

Father Of Five Dies As Fire Wrecks Home

PRINCESS ANNE, Md. (U.S. Sec.)—A father of five children was fatally burned today escaping with his family from a fire which wrecked their one-story frame home six miles south of Princess Anne.

Dead on arrival at Peninsula General Hospital in Salisbury was John Gordy, Negro.

Milder, Wet Weather Due

BALTIMORE (U.S. Sec.)—Five-day forecast: Becoming fair and mild Saturday extending into Sunday afternoon or night followed by rain Sunday night and Monday. Tuesday day with rain likely Wednesday. Total rainfall for the period will average one-quarter to one-half inch.

Temperatures will average several degrees above normal.

Jurors Indict Trio In Huge Estate Fraud

ST. JOSEPH, Mo. (U.S. Sec.)—Charles A. Peters, St. Joseph real estate man; his wife, and Kenneth Kurz, an employee, were indicted by a grand jury yesterday on charges they tried to cheat the city out of \$2,399,000 left to it for recreational projects.

The grand jury suggested the Missouri Bar Assn. investigate some of the attorneys involved in an attempt to break the will of George Bode Jr., uncle of Mrs. Peters.

Under terms of the will, dated in 1945, Bode left all but \$39 of his estate to the City of St. Joseph. He died in 1955. The 86-year-old bachelor had moved to St. Louis 10 years earlier and seldom returned to St. Joseph. The size of his estate and his leaving it to St. Joseph came as big surprises.

Mr. and Mrs. Peters and Kurz swore Bode made a new will in 1948 naming Mrs. Peters his principal beneficiary.

The three accused posted \$500 bond and their arraignment in Circuit Court was set for April 22. They made no comment. Mrs. Peters wept.

Federal Vaccine Aid Program Ends July 1

WASHINGTON (U.S. Sec.)—The administration says it does not seek to extend the federal program of aid for Salk polio vaccinations beyond July 1 expiration date.

Surgeon General Leroy E. Burney said that the Public Health Service would restrict its activities to testing and licensing vaccine after that date.

Nurse Admits Dying Widow Got Injection

LONDON (U.S. Sec.)—A nurse who saw the death of the old lady Dr. John Bodkin Adams is accused of nursing the dying woman an injection on her own responsibility an hour before she died.

"If you are right and your memory is right," demanded Geoffrey Lawrence, the physician's attorney, "there was a serious breach of duty that night?"

"Yes," replied nurse Caroline Sylvia Randall.

Under intense questioning by the defense, nurse Randall described the final hours of Mrs. Edith Alice Morrell to a jury of 10 men and 2 women. Adams, 58-year-old bachelor society doctor who is charged with drugging the rich 81-year-old widow to gain an inheritance under her will, cocked an ear to listen attentively. The nurse testified she received 300 pounds (\$340—from Mrs. Morrell's will.

At the beginning of the cross-examination yesterday nurse Randall had testified there was no justification for her earlier accusation at a preliminary hearing that heroin prescribed by Dr. Adams affected Mrs. Morrell adversely.

The stern-faced justice, Sir Patrick Arthur Devlin, started courtroom spectators by suddenly asking the prosecutor whether he maintained that drugs administered Mrs. Morrell the night of her death were given "with the intention" of killing her.

Four Airmen Die In Crash

ORLANDO, Fla. (U.S. Sec.)—A B-47 strategic bomber crashed after taking off from Pinecastle Air Force Base shortly before dawn today, killing the four crewmen aboard.

Names of the dead were withheld pending notification of next of kin.

The plane was taking off on a routine training flight when it crashed in a field about four miles south of the base, about half a mile from the home of Ed Barber.

Mrs. Barber had told her husband there was "something wrong with the plane" as it approached the house.

One started smoking at 6, and several at 7. One 11-year-old said "Smoking helps us to relax. My dad lets me smoke."

The smoking habits of the boys were disclosed in an article today in the British medical journal Lancet.

Cops 'Rescue' Boy Forced To Wear Mother's Shoes

PHILADELPHIA (U.S. Sec.)—A little boy who sat crying on a curb in front of a grade school the other day attracted the attention of policemen Hedrick Sheppard and William Savage.

Why the tears and why aren't you in school? They wanted to know.

The boy raised a wet and putty face, and without a word at first, lifted his feet off the ground so the policemen could have a good look.

The youngster wore women's shoes, and it was plain that he had been told to wear them. With a little patience, the policemen got the story. The boy's mother who sat crying on a curb in front of a grade school the other day attracted the attention of policemen Hedrick Sheppard and William Savage.

Sheppard and Savage told the boy: "Stop crying and relax. Some of your troubles, at least, are over."

They took him to the shop and redressed his shoes and had the others firmly wrapped so there should be no further humiliation. Then they squirmed him to school and explained it all to principal Gerald Amosetti.

Tawes Funeral Set Sunday

CRISFIELD, Md. (AP) — Funeral services will be held here Sunday for Del. J. Ellis Tawes, who died unexpectedly at his home yesterday.

The 58-year-old Democrat had been recovering from a circulatory ailment that forced the amputation of his right leg in a Baltimore hospital on Feb. 15. He had been returned to his home here last Sunday.

Tawes had been a Somerset County delegate since 1950 and was chairman of the House Chesapeake and Tributaries Committee.

Mayor Flees Raging Blaze In City Hall

CHICAGO (AP) — A fast-moving, spectacular fire swept through sections of the block square City County Building in the Loop last night, routing more than 100 persons, including the mayor.

More than a score of persons were led or carried to safety from the 12-story structure. Included were several women trapped in upper floors.

The fire was confined to the extreme northwest corner of the building on the second and third floors, the City Hall half of the structure.

Three firemen and a telephone repairman were injured, none seriously. The fire broke out shortly after 6 p.m. and was brought under control in less than two hours.

Damage was estimated at \$250,000 by Mayor Richard J. Daley. The cause of the fire was not determined immediately.

Heaviest damage was to the ornately paneled City Council chambers on the second floor, where officials said the fire was believed to have started.

Navy Jet Breaks Record For Round-Trip Flight

LOS ANGELES (AP) — Falling to set a Los Angeles-to-New York record, a twin-engine Navy jet bomber turned around and flew back to Los Angeles to establish a new round-trip record of 3 hours 35 minutes 48 seconds, and an east-to-west record of 5 hours 14 minutes 57.20 seconds.

Piloting the Douglas Skywarrior was Cmdr. Dale W. Cox Jr., Spirit Lake, Idaho. His crew was Lt. Russell Baum, the copilot, Baltimore, and Marine T. Sgt. Robert L. Bullis, Mayville, N.Y.

The bomber left Los Angeles at 9:11 a.m. and was in New York 3 hours 59 minutes 14.80 seconds later. The best time, west-to-east is 3 hours 44 minutes 53.88 seconds set March 9, 1955, by Air Force Lt. Col. Robert Scott in an F4F Thunderbolt.

The former round-trip record was 11 hours 18 minutes 27 seconds, made May 21, 1955, by Air National Guard Capt. John M. Conroy in an F86A Sabre Jet. The old east-to-west record of 5 hours 24 minutes 26.84 seconds also was set by Conroy.

Headwinds ruined Cmdr. Cox's hopes of besting the west-to-east record, but at Floyd Bennett Field he and his crew ate sandwiches and sipped milk while crewmen loaded 5,000 gallons of fuel for the return trip.

Then, with box lunches of fried chicken under their arms, they climbed aboard for the return.

Twenty minutes after arriving in New York, the Skywarrior was on its way back to Los Angeles.

Lt. Baum said the Skywarrior averaged 620 m.p.h. on the east-ern flight, but only 447 m.p.h. on the return. Top speed on the flight was 740 m.p.h., he said, and 140 m.p.h. headwinds were encountered westbound from New York to Mansfield, Ohio. The bomber flew at about 34,000 feet.

Marilyn Mum On Report She Has Stork Date

NEW YORK (AP) — Marilyn Monroe has refused to confirm or deny reports she is expecting a child. She says she considers that part of her life a private matter.

A newspaper story out of Hollywood said the blonde actress had turned down the role of Grushenka in "The Brothers Karamazov" because she is expecting a baby.

Representatives of Miss Monroe said she "is available for work if the proper vehicle comes along" and quoted her as saying she still would like to play the role of Grushenka.

The Paris Metro (the French subway) has some de luxe cars which cost extra fare. The cars are sprayed with perfume.

Three Men Killed After Answering Distress Call

MOBILE, Ill. (AP) — Three men who climbed into a small plane to answer the distress call of another plane died yesterday in a collision of the two aircraft.

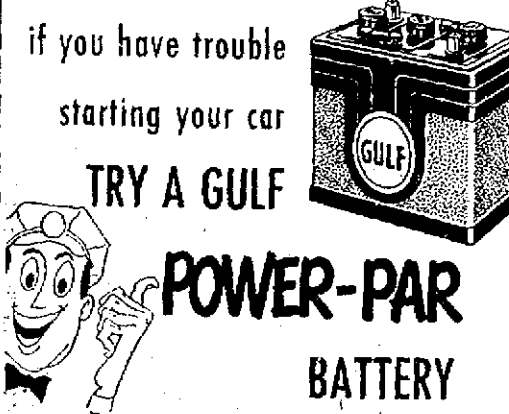

Authorities said the rescue plane attempted to maneuver close to the Cessna to examine the stricken plane's landing gear and apparently bumped into it. The Aero Commander crashed, and a few cabin scratches. Johnson was pulling a two-engine Cessna through routine tests when he noticed that a cockpit signal light indicated the landing gear was not functioning.

He flew over the Quad-City Airport and radioed the control tower.

A two-engine Aero Commander took off to help. It was manned by William Rissman, 34, Muscatine, Iowa, head of the Aerolines as much as a craft.

Allen Dorfman's insurance agency handles a big chunk of labor union insurance and welfare plan business in the Midwest.

Paul Dorfman's operations in the Chicago Waste Handlers Union are under an investigation ordered by AFL-CIO President George Meany.

The special committee headed by Sen. McClellan (D-Ark) hoped to wind up by nightfall its hearings on allegations that (A) Brewster improperly used large sums of union funds as his own, and (B) that Brewster and Seattle, Wash., headlams "muscle in" on profitable rackets in Portland, Ore.

Brewster said yesterday the late John J. Sweeney, former secretary of the Western Conference of Teamsters, actually issued many of the union checks which bore both men's signatures. He said he signed groups of checks in advance and was not responsible for what the committee said was unusual handling of union funds from which Brewster and his friends benefited.

But he said he will see that the union is repaid for "every dime" of its funds used to help finance his racing stables and pay other personal bills, and that he may make restitution for money that went to others who, the committee says, had no right to it.

Coal Production Boost Estimated

WASHINGTON (AP) — The National Coal Assn. estimated today that bituminous production for the week ended March 16 was about 10,150,000 tons, an increase over the 9,700,000 tons dug in the period ended March 9.

Production for the corresponding week in 1956 was 9,264,000 tons.

Production Jan. 1 through March 16 was estimated at 104,636,000 tons against 110,386,000 tons a year ago.

summing countries on the Suez Canal. The plan envisages a U.S.-British treaty with those three Middle East countries to guarantee permanent freedom of movement of oil from the area.

Also discussed were steps which may have to be taken in regard to the payment of Suez Canal tolls, a prime issue in the Hammarskjold-Nasser talks. Western nations using the canal had proposed that half the canal tolls be paid to an international agency for development and maintenance of the waterway. Nasser replied Egypt demanded all the money but might be willing to put some of it into a development fund.

OUR COUNTRY
The union of hearts, the union of hands and the flag of our Union forever.—Morris.

Safeguards

CONGRESSIONAL investigations, in theory, are supposed to provide a basis for intelligent lawmaking. They often do not. But even without that result they may serve usefully as a kind of watchdog check on various phases of American life. In this latter aspect there is danger of abuse. Some legislators seem to investigate for investigation's sake, figuring there is ammunition to be gained for the next election, or notoriety achieved which can advance political fortunes. The current Senate inquiry into racketeering in labor and industry may possibly lead to some healthy housecleaning by labor itself and at the same time produce new federal legislation.

NEW LAWS ARE mostly in the talk stage now, with not too many well-defined projects shaping up so far. One that is clear, however, is a proposal to compel union officials who manage union pension and welfare funds to make full and regular disclosure of fund finances. Labor fought hard to win the allowances that make these funds possible. They were hailed as milestones in the improvement of the average organized worker's lot. It would seem automatic that such monies should be guarded scrupulously. Yet this has evidently not always been the case. Reports of irregularities in the handling of pension and welfare funds are not uncommon. And, as Secretary of Labor James Mitchell says, they represent a "great temptation to racketeers."

HE ESTIMATES THAT these sums now amount to more than 26 billion dollars, a huge reservoir indeed. To protect the millions of ordinary workers who are the beneficiaries of this rainy-day money, Mitchell favors the proposed law demanding financial declarations. It is hard to quarrel with the purposes of this measure. Responsible unions and honest union officials can have no fear of it. They cannot fairly brand it labor-busting legislation, since its aim is to aid the union rank and file. The money is steadily set aside to ease the suffering and the old age of workmen. There can be no excuse for shuffling it around behind closed doors, with no fair accounting. Big sums mean big responsibility, wisely borne. And 26 billion dollars is a lot of money.

Facts Are Needed

THE ATTEMPTS of the Communists to infiltrate and penetrate the Arab world have now become a matter of grave moment to this country. But this being the case, it is surprising that no enterprising foreign correspondents have dug down into the situation to find out the facts. It is equally surprising that the editors of leading American newspapers and magazines have not seen to it that this be done. From time to time there is a report or a rumor about Soviet arms shipments to Syria or Egypt. Also, many Russians are reported to be in Syria. But what is being done? What is happening? How are the Communists operating? What are the directives which have been issued from Russia or Peking? Are the Chinese working in the Arab area? What are the names of the Russians or others who are carrying out and directing Moscow's aims in the Arab world? These and many other questions are of importance. To date, our journalists have not gone after the facts about Soviet penetration. And remembering how the Russians worked in Asia from the early 20s on, it is important that the facts be brought out and published in America.

No Seat Sale Yet

IF CREDENCE can be placed in reports from Russia, anyone who has been waiting eagerly to ride a rocket into outer space can get set for the trip before long. Anatoly Blagonravov, Soviet rocket expert, has announced that Soviet rockets are carrying dogs to vast altitudes and bringing them back safe and sound. He regards this as indicating that human beings can safely use the same transportation. But he does not report a long waiting line of prospective passengers.

AN INTERNATIONAL strip-tease contest is scheduled for next summer in a Paris gambling casino. Ability to speak more than one language is not required.

Politically "Economy" Is Merely Slogan

WASHINGTON — To the initiated the word "economy," in referring to government operations, comes to have connotations different from the precise definition.

Some of those outside as well as in Congress who talk incessantly about "economy" use it as a convenient slogan, with which to fight government expenditures in the social welfare, regulatory and natural resource development fields, among others. The "economy" they preach would be directed at cutting out, or sharply reducing, funds for those purposes.

We find champions of this sort of "economy" active today as Congress tries to prune the \$72 billion Eisenhower budget. This is so even though government participation in welfare programs of all sorts, in regulating business and industry and finance, and in development of our natural resources, has come to be widely accepted since the Roosevelt New Deal pioneered in many new directions in these fields.

"ECONOMIZERS" of the sort singled out here already, are busy demanding that Congress slash appropriations for school construction, for health, for housing and slum clearance, for supporting the numerous regulatory agencies created by Congress to protect the public, and for the integrated development of our river systems to provide flood control, reclamation, navigation, and low-cost electric power.

To some of us, this current "economy" drive, insofar as it is directed in those areas, is very familiar. For we have seen it recurrently through the years.

Those who support it find a favorable atmosphere created by the size of the Eisenhower budget. They seize upon the budget to dramatize the huge cost of government in the atomic age, and by the President's public confession that the budget was too big and his invitation to Congress to cut it for him.

The President's unwillingness to stand by his own budget, or submit one he could stand by, encouraged those who would use his indecision to slash at welfare programs which he advocated during this last campaign.

SUCH A HEAVY propaganda barrage has been directed this way since the President invited a reduction in his budget that some Administration officials also are beginning to waver in their support of programs in the areas mentioned.

This week, for example, we heard the head of the Housing and Home Finance Administration, Albert M. Cole, former Republican House member from Kansas, announce to a Congressional committee that he is paring down the slum clearance and urban renewal program.

That program has always met heavy resistance in Congress, with the result that even the very modest programs requested by President Eisenhower have been reduced by Congress.

Cole's retreat provoked from a former Mayor of Philadelphia a warning against a too-draconic slowing down of the slum clearance and urban renewal program. The former Mayor, now Democratic Senator Joseph S. Clark of Pennsylvania, rose in the Senate to point out the need

Hoffa's Wise Crack Misses Its Target

WASHINGTON — (NEA) — Teamster big boy James Hoffa can count among his mistakes a smart crack he shot off at Robert Kennedy, Senate rackets committee counsel, the night he was arrested by the FBI.

He referred to the 31-year-old Kennedy as "Bobby boy."

Kennedy smiled and for good reason. He's the father of five kids ranking in age from six months to six years.

They're Kathleen, Joseph, Robert, David and Mary Courtney. His wife Ethel hasn't missed a day of the hearings, by the way. She has a couple of full-time baby sitters.

A RED-HOT rivalry is already developing between the Air Force and the Marines over whose whirlybird President Eisenhower will use.

Whitney Bolton
Glancing Sideways

NEW YORK — Henry Brandon is a young, lean actor of considerable talent in all the available media from radio to movies to theatre to TV. In none of which, thus far, has he tumbled on his face or turned in other than an admirable performance.

We sat in a 57th Street tea-room the other afternoon mulling over black coffee and talking about Hollywood and otherwise passing time until sun-down.

Neither of us had anything to do and our conversation sounded just like that. A sentence here or there, a pause, another word, another pause. Not out of awkwardness or shyness, but simply because neither of us had a message. Western Union was taking care of all the messages that afternoon.

BRANDON was born in Germany of German parentage. We talked about that, idly enough, since he has been here so long that it is of no major consequence to him. It cost him no skin during more than three years in our armed forces in wartime. It costs him no skin now.

"Henry," I said, finally, trying to find a subject for a moment, "what was the toughest performance you ever gave?"

"Well, it lasted only 15 minutes," he said, "for one night only, but if there had been a gun in the house I think I would have been shot."

"Where?"

"Fort Monmouth, during the war," he said. "I was just in after basic training. My last picture had been 'Edge of Darkness,' in which I played a British spy masquerading as a stuffy, arrogant young officer from Berlin and Hitler's staff."

"I'd been at the fort only a few days and no one knew me—except one major. He came to me one day and said: 'Brandon, are you a good enough actor, if we get you the clothes, to play one of those charming-on-the-surface, arrogant-on-the-inside German officers and pretend it in a mostly ad-lib speech before more than 2,500 soldiers in training to kill Germans?'"

BRANDON told him he thought so, and the Army borrowed his film uniform from the Warner Studio. The occasion was that "Edge of Darkness" was to be shown at the fort's theatre after Henry's speech. Henry was to go on first, as a captured, but in

Frederick Othman
The Worst Is Yet To Come

WASHINGTON — This is our day to pity Frank W. Brewster, the Teamsters Union mogul, who suffered, squirmed and scowled in his vain attempt to explain what happened to the \$99,999.65.

The union funds that went for room and board for his jockey and for repairing the six-stall truck that hauled his race horses between the Western tracks didn't worry the somber Brewster so much. He didn't know how much union money he spent for improving the breed, but he said he intended to pay it back.

"How can you pay it back when you don't know what you spent and your records have been destroyed?" demanded Senator John L. McClellan, chairman of the investigators looking into alleged high links among the bosses of the biggest labor union in the world.

WESTERN Conference chairman Brewster, who was clad like a funeral director in suit, socks and shoes of black, said he'd find a way. For one thing, he said,

clair Weeks' office to have a look at a portrait of himself that had just been hung on the wall.

After Sawyer had studied his favorite face for a few minutes he noticed that the receptionist in the office looked rather confused.

"What's the matter?" he asked.

"You look so familiar," said Diane Mezzines. Then she caught on.

"Why it's you, Mr. Sawyer," she said. "Well, I'm certainly glad they hung up a handsome man. I have to look at that picture all day."

Sawyer left beaming.

REP. GATHINGS—an enthusiastic rice eater—has decided that the low consumption of rice in the U.S. is due to the lack of inviting recipes.

So he has collected a batch of mouth-watering rice recipes from the embassies around town to tempt the public.

They include such exotic dishes as Entremets Au Riz from France, Croche Di Rosa from Italy, a German plate called Rice a la Trautmannsdorff, and Arroz Con Pollo from Cuba.

His favorite recipe comes from a friend in West Memphis, Ark., however. It's simply rice with mushrooms. You melt one-eighth pound of butter or margarine in a skillet, add one cup of uncooked rice and fry until it pops like popcorn, put rice in a baking dish and add one can of mushrooms and one small can of mushrooms. Cook 45 minutes in an oven at 350 degrees.

Gathings has gathered recipes from 15 embassies which he'll be glad to pass along to anyone who's interested.

His motto: "Let's eat more rice."

NEW YORK—The new vogue for chimpanzee paintings—many collectors are now buying them as a hedge against inflation—has raised the question:

"Who is the real dean among the world's living anthropoid artists?"

Betsy, who has the same phone number as the Baltimore Zoo, drew press rows after viewers at her "chimp show" forked out \$125 for some of her finger paintings.

Well, nothing has caused more consternation in the simian world since the revelation that bananas are fattening.

Chimpanzees, like humans, are jealous of each other's success, and show world chimps all over the country have been denouncing poor Betsy as a fraudulent overgrown monkey.

THE LATEST TO GET into the act is Zippy, 6 years old and the wealthiest ape in the television jungle. Zippy, challenging Betsy to a real "paintdown" contest on any TV show she cares to name, issued this statement through Lee Deuener, his business manager:

"Betsy is a Johnny-come-lately at the art game. So she can paint with her little paws? Why even Pablo Picasso can do that. 'Let's see what she can do on real canvas, using real brushes and real oil paints. I'll even let human beings act as judges.'"

Zippy, who regards himself as both the Rembrandt and the Da Vinci among simian brush wielders, pioneered on TV with his palette more than three years on the Garry Moore show.

Zippy, who now earns \$75,000 a year, came by and gave me a free lesson.

We used water colors and after aping him carefully for half an hour, I began to feel I had almost a born chimp's skill at the easel myself.

Zippy has only one defect as a water color artist. He's too crazy about yellow. Can't get enough of it.

After carefully hushing yellow over the cardboard he was working on, Zippy lifted up the palette and poured all the rest of the yellow paint on his palette.

Then he swallowed all the other colors, too—red, blue, green, orange, black and white.

ZIPPY, WHO HAS authored four books, appeared in two movies, a dozen top TV shows, and currently is grinding out a series of comic strip adventures, is thoroughly democratic.

At the age of 2 months he adopted Lee Deuener, 32, a former schoolteacher; and Mrs. Deuener.

Zippy, who has 100 custom made outfits, lets the Deueners share his Freeport, Long Island, home. They have their own room and beds and eat at the same table with him.

"He's gentle as a child," said Lee. "We feel he is almost human."

Zippy more than returns the compliment. He feels Lee really is human.

A clean liver, Zippy takes regular exercise, watches his weight, doesn't drink or smoke.

But he has one bad habit. He chews his fingernails, an occupational ailment with most TV stars.

WASHINGTON—The last member of the U. S. Senate to visit with Ramon Magsaysay before the president of the Philippines died in an exploding airplane was Henry C. Dworshak, of Idaho.

"When a great man passes it is customary for politicians to say they have suffered a deep personal loss," said the GOP lawmaker. "It is one of the most overworked lines in politics. That is why I hesitate to say it now, but the truth is that I am as blue over the death of President Magsaysay as if he had been one of my oldest friends."

SENATOR DWORSHAK went to Manila recently as a member of the Senate Appropriations Committee. He first picked up Harry Brenn, a fellow Idahoan who is our international cooperation administration chief in the Philippines, and together they called upon President Magsaysay. But the latter treated them to just five minutes in his office, then insisted they go out and see the country with him.

"He really meant it," recalled Senator Dworshak. "He kept us on the go for three days. He made us look at miles of new roads, and scores of new projects. And everywhere we went, the people flocked around him."

"He said to me, 'all this fast traveling and shaking so many hands may be too much for a man who is not used to it.' I laughed, and replied: 'Too much for me! Mr. President, you are looking at a man who has conducted nine campaigns!'"

"He threw his arms around me when I told him that. He said it really established a bond."

Senator Dworshak said he told President Magsaysay that he could see that ICA Chief Brenn was enjoying the trip too.

"I discovered," the Solon continued, "that the president had a highly-developed sense of humor, American-political style. I said to him: 'You know, Brenn is just eating this up. He campaigned for me a couple of times back in Idaho, and he loves to go around shaking hands with people. I hope you didn't mind me bringing him along.'"

"No," grinned President Magsaysay. "I don't mind him doing anything in this country, so long as he doesn't run for president. I hope to make that my monopoly this year."

IN A RECENT issue of The Rollcall, a paper detailing the doings of Congress, Rep. Fisher Burdick, of North Dakota, said that Congressmen were being "stuffed" at special functions, and concluded by asking: "Are Congressmen as dumb as they look?"

It has just elicited this rejoinder from Rep. Clare E. Hoffman, the peppery octogenarian from Michigan:

"The query calls to mind the days when we used to feed and fatten geese. We had a stand about as high as my shoulder and up near the top there was a container full of food and from it a tube came down with a pedal at floor level.

"To operate, you took the goose, you got one hand on the crop, the right hand here, and the left hand holding the bill open, and you stuck that tube down the goose's neck and pushed the pedal and the crop was full.

"The goose had no control over its looks, although full of food. But there is this difference between a goose and a member of Congress: We do not have to submit to being stuffed."

"But Mr. Burdick should not ask others to judge our appearance of dumbness. Not all of us overstuff ourselves, and certainly the hosts do not force-feed us."

New Officers Inducted By Opti-Mrs.

Officers were inducted by the Opti-Mrs. Club at the buffet dinner celebrating the club's ninth anniversary Wednesday night at the Port Cumberland Hotel.

Mrs. David Miller, retiring president, officiated at the installation. A gift of milk glass was presented to her in appreciation of her work.

Mrs. Raymond Hinkle was inducted as president; Mrs. Carl Winfield, vice president; Mrs. James Honeycutt, secretary; Mrs. George Fey Jr., treasurer, and Mrs. Carl Antower, chaplain.

A style show of hats and bags was a feature of the evening. Mrs. Ann Wilt was commentator. Models were Mrs. Hinkle, Mrs. Robert Collins, Mrs. Edward McComit, Mrs. Frederick Eiler and Mrs. Fey.

Cards were played during the social hour. Prizes were won by Mrs. George Furstenburg, Mrs. Bernard Whitacre, Mrs. Collins and Mrs. Walter Wiers.

The dinner table was decorated with candles and corsages of various colored flowers, which were used as favors. Covers were laid for 30. Mrs. Wallace Wilson was chairman of the program committee, assisted by Mrs. Harold Naughton, Mrs. Furstenburg, Mrs. Earl Nonnenmann, Mrs. Francis Warnick and Mrs. Honeycutt.

Because of Holy Week, the next meeting will be held April 25, at which time Mrs. Hinkle will name her committees.

PLANNING SMORGASBORD DINNER—The general committee for the smorgasbord dinner at St. Patrick's Social Center, Sunday, March 31, met at the home of Mrs. Joseph Madden, 194 North Centre Street, to make arrangements. The public dinner is under sponsorship of St. Patrick's Social Center and will be served from 3 to 6 p. m. Left to right (seated) are Mrs. Madden,

Mrs. Samuel Nightengale, Mrs. Paul Ritter and Mrs. Charles Lindner. Standing in the same order are Mrs. E. J. Naughton, Mrs. Patsy Ideni, Mrs. J. Henry Slitcher, and Mrs. Charles Burkey. Another meeting will be held Tuesday at 7:30 p. m. at the Social Center to complete arrangements. Any woman interested in helping is welcome to attend.

Mizpah Class Gives Supper At Church

The Mizpah Bible Class of the First Baptist Church entertained with a supper at the church with Mrs. Harvey Wilson, Mrs. H. R. Matlick, Mrs. Woodrow Hamilton and Mrs. Paul Bell, hostesses.

Mrs. Archie C. Prevatte gave the invocation. A large green bowl of gladness centered the table and a green and white color scheme was carried out in the table appointments, in keeping with the St. Patrick's Day season.

Following the supper the business session was conducted by Mrs. Henry T. Humphreys.

Mrs. James Ruppert was in charge of the devotion on the topic, "Faith of A Man." A Bible quiz followed and the closing prayer was given by the class.

Roll Call was answered with a verse of Scripture. Cards will be sent to the sick and shut-ins. Mrs. Kenneth Rogers was appointed assistant teacher of the class.

It was voted to purchase curtains for the crib nursery and Mrs. Carl Godwin, superintendent, was named to make the selection. Participation in the furnishing of the church lounge was also discussed.

It was decided to hold the next meeting Tuesday, April 16, instead of April 19, because of Good Friday. Mrs. Walter W. Young will be hostess at her home 615 Sedgewick Street. Mrs. Rogers closed with prayer.

Others attending were Mrs. Gilbert Alt, Mrs. James Athey, Mrs. T. A. Darr, Mrs. Gordon Miller, Mrs. Russell Wentling, Mrs. Carl Godwin, Mrs. S. C. Morris, Mrs. Paul Shanski, Mrs. William Sheally, Mrs. Dan Del-Russo, Mrs. W. W. Young, Mrs. Prevatte, Mrs. Humphreys, Mrs. Ruppert, Mrs. Rogers, Miss Elizabeth McCullough and Miss Marie Williams.

Elks Will Hold Dance Tomorrow

The Social Sessions Committee of Cumberland Lodge 63, BPO Elks, will entertain members and their invited guests tomorrow night in the Rainbow Room of the lodge.

Clifton H. Hafer, chairman, said Peck Mills orchestra will provide music for dancing beginning at 9:30.

The magician, Kartay, will perform during intermission. Returning will be Sandra Becker, vocalist. Reservations are being accepted by the committee.

Elect Heads

The 4-H All Stars elected officers at a meeting Wednesday evening at the home of Mrs. Dorothy Grimes, Patterson Avenue.

Mrs. Regina Dowling was re-elected chairman for a second year; Richard Heavner, vice chairman, and Miss Nancy Vandort, secretary-treasurer.

Money raising projects were discussed and tentative plans formulated to serve food at the Cumberland Fair.

The annual summer picnic, and spring conference at Hilltop House, Harper's Ferry, were discussed.

St. Mary's Mothers Club Names Nominating Group

St. Mary's Mothers Club appointed the nominating committee and announced the proceeds of a recently held supper at the meeting last night in the church hall.

Mrs. Eugene Howell presided. Rev. Lawrence P. Landrigan led the opening prayer.

The committee named to select officers is comprised of Mrs. Earl Humbertson, Mrs. John Coyle, Mrs. Paul Schwenninger, Mrs. Joseph Silva, and Mrs. James Stevens.

Mrs. Edward Bergman reported that the proceeds from the supper amounted to \$465.61.

Father Landrigan presented plans for an addition and improvements to the school and urged everyone to attend a special meeting of parishioners Tuesday, March 26, in the church hall.

A check for \$1,200 was presented to Father Landrigan, the net proceeds from the Senior Class play.

A prize was won by Mrs. Edward Bergman and the Fifth Grade won the attendance award.

A musical program was presented by the "Philophone Class" of the Third Grade under the direction of Sister M. Stephanie, music instructor at the school. Eighth Grade girls held a "Spelling Bee," and members of Girl Scout Troop 10 presented a program under the direction of Miss Jane Howell. Following the singing of the Girl Scout song

Auxiliary Of Oldtown VFW Votes Donations

The Clifford B. Sister V.F.W. Auxiliary, of Oldtown, voted donations to the Freedom Fighter of Hungary and the American Red Cross at a recent meeting. The group also made plans to attend the District 3 meeting March 31 at Lonaconing.

Routine reports were given by Mrs. Rose Lewis and Mrs. Catherine Zapf.

A sunshine basket was arranged and Mrs. Pauline Nixon and Mrs. Zapf delivered it to a shut-in.

The meeting was attended by the Mrs. Marguerite Lashley, District president.

Coop Fire Kills 200 Baby Chicks

Approximately 200 baby chicks were destroyed last night in a fire which destroyed part of a chicken coop on property of William Shriver, Town Creek.

Members of the Flintstone Volunteer Fire Company said the blaze resulted from an overheated coal-burning brooder. A recent addition to the structure was the only portion of the building saved.

Eleven members of the volunteer unit responded to the alarm, which was received at about 7:30 p. m.

Mary Haworth's Mail

Editor's Note: Fanny's mail is aggressively hostile to pretty young women; reader asks why?

DEAR MARY HAWORTH: I would like your help regarding a friend of mine, a woman in her mid-forties who is exceedingly jealous of a young matron, who is 20 to 25 years her junior.

Diane (I'll call the younger woman) is very lovely and has a magnetic personality, and everyone likes her very much—except Mrs. X, who finds fault with everything she says and does.

Diane and her husband were introduced into our group by Mrs. X's husband; and it is getting rather sickening that at every gathering of us older women, Mrs. X endeavors to turn the talk to Diane. And she tells tales about her that we later learn are false, and pure imagination on Mrs. X's part.

Vicious Lies Are Launched

Diane has learned of these lies and now of course has no time for Mrs. X, which makes a difficult situation, as their husbands are friends. From what I can gather, each evening the husband of Mrs. X has to put up with endless gossip and criticism of Diane.

Mrs. X won't give Diane credit for any good she does; and we personally think she deserves praise for many things. Is she jealous of Diane's looks? Or her youth? Please tell us how to cope with the problem.—P. R.

Older Woman's Fighting Fear

DEAR P. R.: One wonders who you are really—the gossip's husband, maybe? Who else would know that Mrs. X badgers her husband every evening, with vicious, malicious lies?

The fact that Mrs. X is passing through the climacteric has little, if anything, to do with her ugly attitude—except that age (for advancing years) erodes one's social mask away; and brings nakedly to view the ingwelling character, as it were. Thus to discerning eyes, Mrs. X reveals the squalor of her personality, in habitually sniping at Diane.

Go On Strike Against Gossip

As for how to cope with the problem—it would be appropriate, I think, for anybody in the group to speak up, any time, and boldly ask Mrs. X to stop being a bore and a cat about Diane; and stop saying derogatory things for which there is no foundation in fact, as everyone knows.

The badgered husband might take that stand, and put his foot down and silence her spite, in his presence at least. And if you are in fact one of the older wives, why don't you, too, call "Halt! Enough!" next time Mrs. X starts mauling the subject of Diane.—M. H.

Blood Donor Debt

NORFOLK, Va. (AP)—Sidney Flum donated his 4th pint of blood to the Red Cross to put him over the five-gallon mark. He said he was wounded on the USS Yorktown in the Battle of the Coral Sea in 1942 and was given a lot of blood transfusions and plasma and thought he ought to square the account.

Reversal Play Assures Slam

By OSWALD JACOBY
Written for NEA Service

Hand No. 7 from the Intercollegiate championships is a toughie. North and South must first bid the small slam in diamonds and then South has to make it.

If North responds with two hearts there is no trouble getting to six. South bids two spades. North shows his diamond support and South checks for aces and then bids the diamond slam.

West opens the queen of clubs. South wins the trick and plays the king of trumps. This safety play is designed to guard against the possibility of finding West

with all four trumps. If East holds all four trumps nothing can be done about it.

Sure enough, West has all the trumps and now South can't afford to ruff out his small club.

His first thought is to try to set up a discard on a heart, so he leads a low heart toward dummy. It doesn't matter what heart he plays from dummy. East wins and plays a second club. Now South is ready for a dummy reversal play. He leads the six of trumps and overtakes with the appropriate card in dummy.

A heart is ruffed with the eight of trumps and the four-spot played. Again dummy wins the trick as cheaply as possible. A third heart is trumped and dummy is entered with the queen of spades.

The last trump from dummy allows South to discard his losing club and pull West's last trump

Wall Street Hears . . .

NEW YORK—(INS)—Wall Street Hears:

CIT financial first quarter net will be at least as good as last year's 98 cents a share. The company expects auto sales volume will "pick up appreciably" in the next few months. It has already noticed "quite an improvement" in March over February.

Reynolds Tobacco, which is diversifying by building an aluminum fabricating plant, may show net of about \$6 this year. If this net is reached, the current \$3.20 dividend could be raised.

Charles Pfizer net this year is expected to get up to around \$3.75 vs. the record of \$3.35 set in 1956.

Jones & Laughlin dividends are expected to continue at 55 1/2 per cent quarterly and will once again be supplemented by a small stock dividend. Full year operations are estimated at 95 per cent average vs. a 90 per

cent figure for the industry as a whole.

Cement prices are going up in the second quarter by 15 cents a barrel. Higher costs, especially for coal, are blamed.

Canadian Pacific management expects 1957 earnings to at least equal 1956 results, \$3.77 a share, despite short rail strike and higher wages.

Market comment—Art W. Bullock of Paine, Webber, Jackson and Curtis: "Traders and investors are cautious for several reasons, including the Middle East situation, the mixed business picture and the relatively low volume in recent weeks as the market has recovered. It would seem likely that any significant improvement could be made from here with the present background."

Contract Discussion
The Lonaconing sub-local of Local 1874, Textile Workers Union, will hold a special meeting today at 7:30 p. m. at the Lonaconing Band Hall to discuss contract negotiations with General Textile Mills.

Business Briefs . . .

NEW YORK—(INS)—The New York Stock Exchange's second annual survey showed today that some 3,300 persons joined the exchange community for the first time in 1956. The total thus was boosted to 61,300 at year end, a gain of 5.9 per cent and representing 55.7 per cent of the estimated 110,000 persons in the entire securities industry.

President Keith Funston said a "record high of 884 women were employed by member firms as registered representatives" as compared with 178 ten years ago and 800 a year ago.

PITTSBURGH—(INS)—Gulf Oil Corporation reported today that marked progress in diversification

and decentralization had helped the 56-year-old company set new financial and operating records during 1956. Net income reached \$282,658,000 or 30 per cent higher than the previous year and equal to \$9.54 per share.

Five major transactions included acquisition of additional stock interest in the British American Oil Company Ltd.; acquisition of Warren Petroleum Corporation; investment of \$120,000,000 in convertible debentures of Union Oil Company of California; purchase of concessions covering large acreage in Lake Maricao, Venezuela, and acquisition of concessions in Bolivia of over 7,000,000 acres now under exploration.

NEW YORK—(INS)—E. H. Little, board chairman and president of Colgate-Palmolive Company, announced today that worldwide sales of the company passed the half-billion-dollar mark for the first time in 1956.

Combined domestic and foreign sales reached \$309,523,000 in 1956 compared with \$168,578,000 in 1955. Net income was \$10,518,000 or \$4.05 per share, compared with \$14,008,000 or \$5.50 a share in 1955.

Bedford Road Firemen Busy

The Bedford Road Volunteer Fire Department answered five alarms last week.

On Tuesday the firemen were called to Mt. Pleasant Road when a brush fire broke out. The blaze covered approximately 14 acres, and Bedford Road was assisted by Baltimore Pike and Bowman's Addition firemen.

Wednesday the firemen answered an alarm on Mason Road when a grass fire started on the farm of Paul Greise. The flames covered four acres.

Thursday night the firemen answered two false alarms on the Haven Road.

Sunday the fire fighters went to the home of John Mertens to extinguish a grass fire which destroyed five acres.

vigorously opposed creation of the new authority and called it a "license to steal." His colleagues, Dels. Polk and Stevens, are for the bill.

Liquor Bills Advance

The House also moved up to passage stage two liquor bills relating to price cutting. One would revoke 16 of the 17 licenses held by Reade's Drug Stores in Baltimore City. The other would prevent price cutting on standard brands of bottled liquor.

Del. Dabrowski (D-Balto 1st), a Baltimore tavern owner, argued against the drugstore chain holding more than one license when nobody else may. He said it gives the chain an advantage because it can buy liquor cheaper "by the carload" and so sell it for less.

Montgomery County exempted itself from the bill calling for statewide maintenance of minimum bottle prices. In addition, liquor purchased in Montgomery could not be taken into another county.

Montgomery County runs a liquor monopoly and feels it needs freedom to lower prices to meet competition from nearby Washington.

Newspaper Withdraws Opposition To TV

CLARKSBURG, W. Va. — The Clarksburg Publishing Co. has decided to end its fight against setting up a television station here.

Your Horoscope

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

For Saturday, March 23, 1957:

MARCH 21 to APRIL 20 (Aries)—Stimulating vibrations from the Sun and Uranus invite your best efforts at both regular occupation and other activities now. Be sensibly economical; rest, too.

APRIL 21 to MAY 21 (Taurus)—New spheres of activity, wholesome fun and clever methods to entertain or educate indicated today. Ambition should be stimulated, too. Give thought to sound propositions, confederates, granting favors.

MAY 22 to JUNE 21 (Gemini)—Mercury's position urges care in signing papers, agreements, giving evidence, and in all legal matters. Day others who can be a pleasant one with accent on social events, children's interests.

JUNE 22 to JULY 21 (Cancer)—Midday for purely personal matters but stirring and beneficial ones for matters of general interest, such as social problems, educational advancement, etc. Sports, relaxing hobbies encouraged.

JULY 22 to AUGUST 21 (Leo)—This can be a big day for you. Good news, favors likely; happy and surprising events indicated. Necessary tasks, and work should go along smoothly, profitably. A delightful day! Give it your best.

AUGUST 22 to SEPTEMBER 21 (Virgo)—As with Gemini, be careful about signing papers. Don't get into legal difficulties or be careless about assignments. Day is full of promise for all worthwhile endeavors, however, for new or familiar work and tasks.

SEPTEMBER 22 to OCTOBER 21 (Libra)—With delicate matters and sensitive people to be handled, be extra tactful and considerate. You can have happy and restful divisions, too.

OCTOBER 22 to NOVEMBER 21 (Scorpio)—A benefic but challenging period during which you can be accomplished, many worthwhile activities enjoyed and promoted. Inventions, other creative and ingenious pursuits favored. Head children's needs.

NOVEMBER 22 to DECEMBER 21 (Sagittarius)—Not exactly a money-making day but it can be a profitable one in many ways. Seek to better relationships with family, good friends; make contacts to help your business, increase assets later.

DECEMBER 22 to JANUARY 20 (Capricorn)—A period of great activity, with many new offerings and pleasant surprises indicated. Cast aside nothing that may have value in either a personal or business way.

JANUARY 21 to FEBRUARY 19 (Aquarius)—A peak day for your talents. Don't lose interest in any promising undertaking, and don't fail to take advantage of new or improved methods, materials, etc. Relaxing hobbies, rest urged.

FEBRUARY 20 to MARCH 20 (Pisces)—Signs not part we definitely and prepare to offset them in the future. A fine period for visiting

Patrons Select Top Art Exhibits

The popular choice among exhibits at the Tri-State Art Show at the Cumberland Free Public Library was "Still Life," an oil painting by Mrs. R. F. Preckel of Woodlawn, LaVale.

Miss Mary G. Walsh, librarian, said 50 visitors to the show selected "Still Life."

Four other oil paintings ranked after "Still Life" in the poll of the patrons. They were "Early Morning Light" by Eris Dodd, RFD 3, Bedford, Pa.; "Portrait Study" by Wilbur Hull, Narrows Park; "Vase of Roses" by Mrs. Mae Maghini, this city, and "Fall in the Mountains" by Harold Hanson, this city.

Hull's "Portrait Study" had been rated the second best oil painting by the judge but none of the other popular choices were rated.

A REPORT TO THE PEOPLE OF MARYLAND ON A YEAR OF TELEPHONE SERVICE

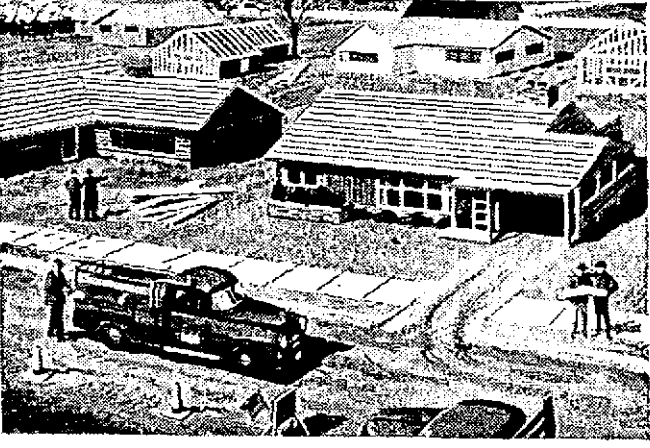

Here are some highlights of our Annual Report. Complete copies are available at our Business Office.

A BUSY YEAR. In 1956 we added 91,000 telephones in Maryland. Today, 78 out of every 100 families have telephones. The millionth phone in Maryland was installed last November.

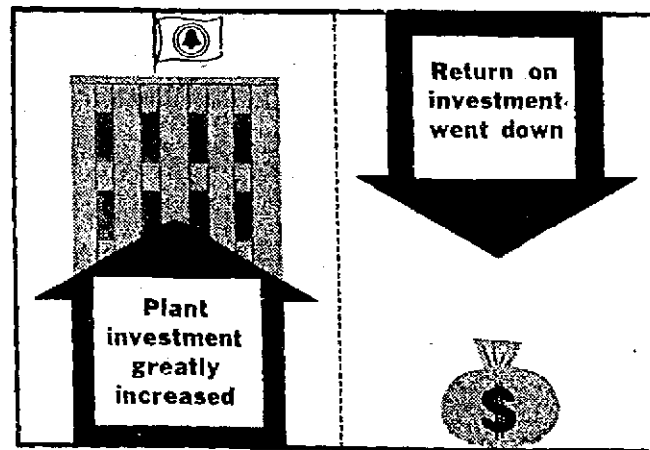

BUILDING FOR SERVICE. To provide the service required in this growing state, we spent \$33,000,000 in 1956 for new telephone plant—new dial offices, switchboards, cable and other service improvements.

KEEPING IN STEP. As population in Maryland grows and spreads out, people need more telephone service to keep in touch with nearby communities. 93 of every 100 Maryland telephones can call one or more nearby communities without toll charges.

WAGES AND TAXES WENT UP. At the end of 1956 we had 11,100 employees—500 more people than we had in 1955. Wages amounted to almost \$50,000,000—\$5,800,000 more than in 1955. Taxes, too, went up another \$1,000,000 last year.

HUGE INVESTMENT—SMALL RETURN. We now have over \$305,000,000 worth of telephone plant and equipment in Maryland. The amount of money invested in plant has grown rapidly in recent years—but the return on investment went down in 1956.

LOOKING TO THE FUTURE. We are going to keep on growing with Maryland. Every week this year we will build \$1,000,000 worth of new plant to bring more and better telephone service to the people of Maryland. Higher earnings are necessary to attract the money required to do this job.

Frostburg Red Cross Fund Drive Still Short Of Goal

FROSTBURG — Mrs. Rudolph Mendelsohn, chairman of the Red Cross fund drive in the Frostburg area, reports that \$1,885 has been collected to date. The quota was set at \$2,650.

Mrs. J. C. Cobey, chairman of the Frostburg Red Cross branch, said "A number of civic and fraternal groups have not yet been heard from and several districts have not yet reported their collections. By the end of next week we should have a final report."

All collectors who have not yet reported are urged to do so at once, and organizations wishing to contribute may send their donations to Mrs. Mendelsohn, Mrs. Cobey or to Mrs. Walter E. Jeffries, treasurer of the Frostburg branch.

ShuckRenamedCommander Church Class Shuck Named Commander

KEYSER — Nancy Hanks Post 3518, VFW, held its annual nominations and election Wednesday night. Leo C. Shuck, current Fourth District head was re-elected for his third term as commander.

Other officers named were William Folk Sr., vice commander; Kenneth Liller Jr., vice commander; James R. Litten, quartermaster for his eighth term; Charles W. Smith, advocate for his fifth term; I. N. Godfrey, chaplain for his third term; Joseph S. Clark, surgeon for his fourth term and Earl Knotts, three-year trustee.

A joint installation of post and auxiliary officers will be held Wednesday, April 3, at 6:30 p. m., followed by a dinner and dance. Richard Homan of Sugar Grove, Department Senior vice commander, has been selected by Shuck to install the new officers.

Problem Aired

A public meeting was held last night to discuss a proposal of the Mayor and Council to widen the street three feet by taking a foot and a half off each sidewalk. Residents along the street raised objections and the public hearing was held.

Mayor Freeland said there was considerable difference of opinion on the question and some people wanted parking permitted on one side, some on the other side and some on both sides of the street. Others think parking should be eliminated altogether.

After lengthy debate and discussion it was decided to postpone action for a couple of weeks to give residents affected a chance to reach some kind of agreement.

The Keyser National Guard has received a superior rating in the annual Ordnance Armament Technical Inspection, which was given the local battery, according to Capt. Henry E. Witt, commanding officer of Battery C, 201st Armored Field Artillery Battalion.

The Keyser Guard has been given high ratings in a series of inspections by the Army advisor, battalion commander and other technical inspectors.

The unit will have its annual signal inspection April 10. It was rated "excellent" on chemical corps material by the Lexington Chemical Depot.

A complete automotive inspection will be given all vehicles used by the battery, and all drivers will be given a testing program for driver training.

Capt. Witt said "the Keyser Guard has made an excellent showing in its pre-camp inspections which leaves the unit ready for its final preparations for the 1957 summer encampment at Camp Breckinridge, Ky."

Frostburg Legion Post 24 Marks 38th Anniversary

FROSTBURG—Edward Walter, an "award of merit" from the national vice commander of the American Legion for his part in Eastern District of the United States, spoke at the thirty-eighth anniversary dinner of Faraday year.

Post 24, American Legion, last night. The affair in the Legion home on West Main Street was attended by over 250 persons.

Walter discussed "The Concepts of the American Legion, its Basic Principles and the Duty of All Eligible Veterans to Become Members."

Undergarment Firm Confirms Frostburg Move

FROSTBURG—The Mayor and Commissioners were advised last night by J. Glenn Beall Jr. that the Cumberland Undergarment Company is definitely interested in locating here.

A letter from Maurice Milberg, company manager, stated that the operation would require 16,300 square feet of floor space and employ 125 persons when in full production. He said his company would pay three per cent interest on the funds raised to construct such a building and would retire the stock within a period not to exceed 25 years.

The letter, it was explained, was merely to confirm statements made by him in previous meetings. Such agreements will be incorporated in a formal agreement before negotiations are completed.

It was agreed by those present that the project could be better handled by the Frostburg Business Association rather than the smaller group known as the Frostburg Industrial Promotion Corporation.

Charles W. Hill was named temporary chairman of the project. An executive meeting was tentatively set for Tuesday evening for the two groups, the Mayor and Commissioners and the City Attorney Edward J. Ryan.

Legal aspects of the procedure will be discussed and plans made for further action on the matter.

Police Issue Appeal

Chief of Police Lloyd Truly this morning directed an appeal to all parents to instruct their children to take extra precautions at crosswalks, riding their bicycles and playing on the streets.

He pointed out that a large number of children on the streets increased the possibility of accidents.

Truly appealed to motorists to accept a greater responsibility while driving, pointing out that an injured child would cause them greater anguish than the loss of two minutes in driving from one end of town to the other.

Truly said that crosswalks, parking areas and traffic lines at signal lights will be painted in the near future.

Mt. City Boy Scout Finance Campaign Scheduled April 1

FROSTBURG—Ivan C. Diehl and Harry C. Ott, co-chairmen of the Boy Scout finance drive in the Frostburg area for Nemacolin District of Potomac Council, met yesterday to organize their committees and workers for the campaign which is scheduled to get underway by April 1.

According to the chairmen, the city will be divided into four districts with a captain in charge. Each captain will have from eight to 10 key men who will supervise the work of the teams of five men each.

Willis V. Smith, scout executive of Potomac Council, will confer with the Frostburg group today concerning the final plans for the coming campaign.

The Sunday School Department will be in charge of the Sunday evening service at First Congregational Church, Bowery and College Avenue. The theme of the service will be "Adding More Meaning to Lent."

Mrs. Gladys McCulloch will be in charge of music and Misses Jo Ann and Linda Shuey will offer a piano and organ duet. A reading entitled "The Living Christ" will be given.

Others who will participate in the program are Charles Williams, Guy Mallow, Lionel Norris, James Mallow, Lionel Norris, Mrs. Mildred Seibert, Mrs. Eloise Davis. Ushers include Clarence Sweeney and Allen Phillips.

Employee Honored

Miss Margaret McGann, 11 Washington Street, was presented with a gold and ruby pin in recognition of her 30 years service in the Frostburg office of the Chesapeake and Potomac Telephone Company.

The presentation was made by T. C. Burns, Hagerstown, district traffic manager of the company, at a dinner held in her honor at the Cumberland Country Club.

A number of her fellow employees were present at the dinner. Among them were Mrs. Mary

Mrs. Ball is a member of Grantsville Chapter 73. She will be accompanied by her husband, L. L. Ball and Harry C. McEwen, Parkersburg, grand sentinel of the Grand Chapter of West Virginia.

Keyser To Join Shenandoah Valley In Cleanup Project

KEYSER — The City Beautiful Council of Keyser has decided to cooperate with the Shenandoah Valley area plan for a "clean-up, paint-up, fix-up week," it was announced by the chairman, Mrs. J. Clark Bright, after a meeting of the council Wednesday night.

The campaign to urge property owners to improve the appearance of their homes and stores will be conducted in Keyser from April 22 through May 1.

"We hope all citizens of Keyser will cooperate in this effort to beautify and improve our city," Mrs. Bright said.

The council voted to hold a rummage sale April 5 and 6 to help defray the expenses of "clean-up, paint-up, fix-up" drive, and the cost of tree plantings planned in the future.

Mrs. Bright also reminded area residents that April 12 is West Virginia Arbor Day. She urged people to plant trees on that day "to keep West Virginia green."

The council announced that two new trash cans have been placed on Main Street in the business section. The cans were donated

North Carolina, Kansas Semi-Final Favorites

Undefeated Tars Shaky Favorites In Spartan Tilt

KANSAS CITY — (INS) — The Tar Heels of North Carolina are slightly favored to ruin Michigan State's upset dreams tonight while Kansas is a big choice to dump defending champion San Francisco in the semi-finals of the 19th annual National Collegiate Basketball Championships.

The undefeated Tar Heels will place their perfect 30-game slate on the line beginning at 7:30 p. m. CST on the Kansas City Auditorium floor. North Carolina was made a four-point choice.

Jayhawks Red Hot
The red-hot Jayhawks of the University of Kansas are solid nine-point favorites to keep San Francisco from winning an unprecedented third consecutive NCAA cage crown.

Kansas, boasting a 23 and 2 mark, marks its fourth appearance in the NCAA semifinals. The Dons posted a 20 and 6 record this year.

Only Dick Harp, Kansas head coach, is a newcomer to the NCAA classic. Frank McGuire, head mentor of North Carolina, led a St. John's of Brooklyn team into the 1952 finals while Fordy Anderson of the Michigan State Spartans, coached Bradley when the Braves played in the 1950 and 1954 title games. Phil Woolpert, head coach of San Francisco, won the last two years.

Rosenbluth Stands Out
McGuire will start an all New York-area team led by All-American forward Lennie Rosenbluth who now makes his home in Greenville, Tenn. Rosenbluth has rewritten the Tar Heel record book and has one of the hardest jump shots of any player to stop.

Even if the Spartans should thwart the efforts of Rosenbluth, McGuire has such acts as Pete Brennan, Joe Pigg, a six-foot, nine-inch jumping jack center, elusive Tommy Kearns, and Bob Cunningham, a guard who stands 6-4.

But State's Anderson is used to playing against the odds. His Spartans were not supposed to go anywhere this year and they tied Indiana for the Big Ten crown. They were not given a champion's chance against Ken-lucky at the Lexington quarter-finals and they won with points to spare.

Still Leads Kansas
Kansas of course will be led into battle by Wilt (The Stilt) Chamberlain, the seven-foot center from Philadelphia.

Woolpert did not hide his concern from reporters yesterday. He said: "Chamberlain is the big factor here at Kansas City."

The Dons' coach said he was undecided whether to start 6-9 Art Day or Mike Farmer, a 6-7 performer. "Either one can do a creditable job," Woolpert added.

Maurice King, a six-foot, one-inch guard of Kansas, also is quite a player and should cause the Dons no end of concern. Harp also has plenty of height up front with 6-6 Gene Elston and 6-7 Ronnie Loneski.

But San Francisco followers point to the team's record of winning 14 of its last 15 games.

Bell Quarterback For Grid Circuit
WASHINGTON — Pro football is sending the first team into its campaign to get out from under the federal antitrust laws. No less a quarterback than Bert Bell is calling the plays.

Bell, commissioner of the National Football League, saw eight Congress members yesterday. He scheduled other meetings today.

Bell is out to convince Congress that professional football is set up in the best way possible to assure real competition among teams and to entertain the fans.

It came here because the Supreme Court ruled last month that pro football is subject to antitrust jurisdiction. The court hasn't said the league is guilty of any violation, but some lawmakers have suggested its player draft and reserve clause practices are questionable.

Fewster New Head Mentor At Hopkins
BALTIMORE — Wilson L. Fewster, a line coach the last two years, has been promoted to head football coach at Johns Hopkins University, athletic director Mar-shall S. Turner Jr. announced today.

Fewster succeeds John D. Bridgers, who resigned two weeks ago to become tackle coach for the Baltimore Colts of the professional National Football League. Bridgers, in four years at Hopkins, had a record of ten victories, 21 defeats and one tie and won last year's Mason-Dixon Conference Championship.

Brothers Hold Reigns When Swimmers Meet
CHAPEL HILL, N. C. — Swimming meets between the University of North Carolina and North Carolina State are especially hotly contested—probably because Ralph Casey coaches the Tarheels while his brother, Willis, coaches the Wolfpack.

SETS CITY PACE—Jim Eckard, former Fort Hill High eager, wound up as the leading scorer in the City Basketball League, by hooping 412 tallies in 21 games for the champion Old Germans. "Ice Water" rimmed 159 field goals and pumped in 94 free throws to lead his closest rival, George McGregor of runner-up Peskin's Shoe Store, by 59 points. McGregor had 353 markers in 19 contests.

Spring Homers Pointing To Big Year For Sluggers

By International News Service
If the spring exhibition season is any indication, this will be a bigger and better sock-em year for major league sluggers.

Take yesterday for example. Wes Covington, who hit only two all last season, smashed three home runs (or hits good for 33 runs in their last two games. Roberts was ripped for seven of the runs before going to the showers in the sixth inning.

Johnny Kucks, whose three-hit shutout clinched the World Series for New York, got lagged for seven St. Louis hits and four runs before walking off on the losing end of a 9-to-2 decision at St. Petersburg. No help to Kucks were three Yankee errors and five-hit pitching by Herm Weh-meyer, Larry Jackson and Hoyt Wilhelm.

Over at Mesa, Ariz., Ernie Banks banged out two home runs and Gene Baker one to give the Chicago Cubs a 5-to-4 victory over Cleveland.

Johnny Antonelli and Steve Ridzik, however, each pitched one-hit, three-inning stints as the New York Giants edged Baltimore, 2 to 1, at Scottsdale, Ariz.

Burkey's Five, Roofers Nail Basket Titles

Champions in the Men's and High School divisions of the 'City Rec Basketball League were decided last night with Burkey's Appliances winning the Men's title and Tri-State Roofers copying the High School laurels on the Carver floor.

Burkey's was forced into overtime before subduing Chaney's Transportation, 55-52, in their third game while Roofers had an easier time whipping Centre Street Methodist, 51-35. Both of the series went the limit in the best-of-three playoffs.

Burkey's, after leading for two periods, had to come from behind to send its clash into an extra heat. Chaney's had assumed a 40-34 lead at the end of the third stanza.

Colin Detrick paced the losers with 18 points, while Bill Scott, flipped in 11 Harold Malone, with 11 free throws, wound up with 21 counters for the Burkey eagles.

The Roofers' red-hot third stanza put Centre Street away after the first half had been close. Tri-State, leading by 19-13 at intermission, shoved in 21 points in the third heat while Centre Street could come up with only eight tallies.

Martz, Hale and Young had 15, 13 and 10 for the Roofers with Mills hooping 10 for the Methodist five.

Vanatta Club To Win NIT Regardless Of Outcome

NEW YORK — (INS) — The National Invitation Basketball Tournament is going to be won by coach Bob Vanatta's team—either the one he built or the one he is building.

The finalists in the 20th annual NIT at Madison Square Garden will be Bradley and Memphis State—two powerhouses that bear the stamp of Vanatta's coaching brilliance.

The personable mentor, after a two-year stay at Bradley, surrendered a budding team there to Chuck Orsborn last year to take on the job of building Memphis State into a national hoop power.

A measure of his ability was shown when both well-drilled teams advanced into the NIT finals last night by scoring impressive semi-final victories before 16,731 fans at the Garden.

Tigers Win In Overtime
The Tennessee Tigers opened the evening by defeating St. Bonaventure, 80 to 78, in overtime when Bob Swander sank a 20-foot jump shot with two seconds to play.

Bradley followed up by exploding another of its awesome second-half drives to humiliate Temple, 94 to 68.

Second-seeded Bradley (21-7) with its great bench strength, will face the clutch-shooting Tigers (24-5) for the championship tomorrow in a game to be nationally televised (CBS, 2 p. m., EST).

Unseeded Memphis State's win over St. Bonaventure was jammed with excitement.

The Tennesseans, a Cinderella team if there ever was one, fought through nine ties and 12

Gold Cup Set Tomorrow At Bowie Track

BOWIE, Md. (AP)—Though spring is still in its infancy, seven of the dozen or so 3-year-olds likely to run in the \$30,000-added Governor's Gold Cup at Bowie Saturday will be sniffing the air for the scent of roses.

The seven are Kentucky Derby eligibles and will be getting another of several chances to prove to their owners they are worthy of the "run for the roses." The Gold Cup is a seven furlong test. Eligibles listed:

The Derby eligibles are John L. Applebaum's Mister Jive, winner of the Cowdin, Sumner, and a division of Randall's Youthful; Carolyn K. Stable's Pro-Brandy, winner of five consecutive races last year including the Pimlico Nursery; Mrs. Ethel D. Jacobs' triple entry of Promised Land, Pertshire and Roscoe Maney; Mrs. Edward Lasker's Olive Tree, winner of last week's Palmetto Trial, and John A. Fusco's Dark Trust.

Other promising youngsters slated for Maryland's richest 3-year-old test leading up to the Preakness include Cary C. Boshamer's Gama, Brandywine Stable's Cannon Fire, C. C. Jones' Dr. Eugene J., Mrs. J. T. Maloney's Soft Day, John A. Manfuso's Astracorn, William I. Patterson's Blue Ray, Saggy Farm's Sag's Gem and Mrs. Jules Schwartz's Nah Illus.

The Jacobs entry, Mister Jive, Pro-Brandy and Sag's Gem figure to pull the most support.

Pro-Brandy Sidelined

Promised Land revealed his stretch-running ability here last Saturday when he came from far back to win at six furlongs. The other members of the entry, Pertshire and Roscoe Maney, were winners in California during the winter.

Mister Jive, in his last start, was fourth in Hialeah's Flamingo. But he showed high speed for six furlongs.

Pro-Brandy was sidelined by an injury last summer, but showed little effect of Rvin his first start after a six-month layoff. The Double Brandy colt was a nose winner in a six-furlong allowance test here earlier this month.

Sag's Gem, a son of Saggy, won the six furlongs George Washington Stakes here in February by two and one-half lengths. He also scored in the Dade County Handicap at Tropical Park.

Lopez Thinks Sox Can Win

TAMPA, Fla. (AP)—Al Lopez, who beat the New York Yankees only once in six tries with Cleveland, thinks he can do it in his first season as manager of the Chicago White Sox . . . with a little luck.

"He doesn't underestimate the Yankees. He acknowledges they're an outstanding club with power in every department. Yet he firmly believes his team 'can go the way' if some of the youngsters come through.

"This is a club that has finished third the last five years," Lopez pointed out, "so it doesn't need very much to move up and may be go all the way. If some of those kids like Jim Landis, Roger Howard and Earl Rattley, who have looked real good up to now, can continue to improve, your chances will be that much better."

Landis, a 23-year-old outfielder, has been the hitting sensation of the camp, leading the team with a .400 batting average through the first seven games. Howard, 23, is a right-handed pitcher who recently was released from the Army. In two three-inning outings, he limited the Yankees to two hits and the Brooklyn Dodgers to one while holding them scoreless. Rattley, 22, is a rugged, 200-pound catcher, who has impressed everybody with his hitting and throwing.

"If down the middle means anything," said Lopez, "and they say it does, then we're as strong as a n y body in the league. With Sherman Lollar behind the plate, our good pitching, Nellie Fox and Luis Aparicio around second and Larry Doby in center field, we yield to nobody on the line from home plate to the flagpole."

nightmare for pitchers; a five-run lead means nothing."

Bedford's "freeze job" backfired for the Bisons Tuesday night in a PIAA playoff with Altoona at Huntington. Altoona high cagers scoring a 54-34 victory . . . Time moved on but the players stood still as Bedford put its stalling tactics into effect in the third quarter . . . Altoona, as a result of its victory, moves into the western regional semi-finals tomorrow night at the University of Pittsburgh's fieldhouse.

Lonesome Batter Joins In Ice Brawl

MINNEAPOLIS (AP)—With his teammates involved in a brawl with Michigan Tech on the opposite end of the ice, Minnesota hockey goalie Jack McCartan skated the length of the rink and plowed head-on into the pile.

"I couldn't stand the suspense," McCartan said. "I felt miserable all alone."

Lady Riders Plan To Strut In May

BALTIMORE (AP)—The sixth annual Powder-Puff Preakness will be run at Pimlico May 18.

The horse race is limited exclusively to women jockeys.

Bowie Would Pay Two Million For Pimlico's Days

ANNAPOLIS (AP)—Bowie isn't seeking Pimlico's 40 racing days, but is willing to pay the State nearly two million dollars for them. If the Baltimore track doesn't want to in case it is closed.

The proposal was made yesterday in a letter from Donald C. Lillis, president of Bowie, to state Sen. Northrop (D-Montgomery).

Lillis went even beyond Northrop's intention of making Pimlico's owners repay the state all improvement funds received since 1945 if they want to conduct racing elsewhere.

The Maryland Jockey Club, which owns Pimlico, is asking the Legislature for permission to conduct its 40 days at Laurel.

Northrop isn't in favor of closing Pimlico in the first place. But if it is, then he believes the owners should ante up the \$1,947,249 that the track has received from the improvement fund. And if they do, Northrop proposes that they be allowed to run 20 days each at Bowie and Laurel without paying the other tracks anything other than a share of operating expenses.

And if Pimlico balks at the payment and still wants to close, Northrop is suggesting that the 40 days also be divided evenly between Bowie and Laurel but the Maryland Jockey Club would cease to own them.

Special Baseball Meeting To Open

BELEAIR, Fla. (AP)—Representatives of 16 major league baseball clubs meet here today to map plans for combating possible congressional legislation subjecting the teams to anti-trust laws.

The special meeting, called by baseball commissioner Ford Frick, is the result of a February 25 ruling by the U. S. Supreme Court declaring professional football a business subject to anti-trust laws.

Baseball, by an old court ruling, is presently immune to such laws. But at least one member of the high tribunal said that in light of the latest ruling on pro football, it is doubtful that the old baseball decision will stand up.

The clubs are expected to appoint a committee to take the issue to Washington, where two bills are now pending in Congress effecting baseball's status.

One of the bills would bring the game directly under anti-trust laws and the other calls for a discussion of whether sports in general should be included in the anti-trust legislation.

Orioles Rained Out First Time In Arizona

SCOTTSDALE, Ariz. (AP)—Old man weather kept the Baltimore Orioles from playing an exhibition game Wednesday for the first time since the Birds started training in Arizona three years ago.

But while the Orioles and Cleveland Indians stayed out of the rain, Manager Paul Richards and his staff went into a huddle and announced three more players will be sent to the Orioles' farm teams.

Fred Besana and Lenny Green will report to Vancouver and George Werley, 18-year-old pitching prospect from St. Louis, has been sent to the Thomasville, Ga., club.

Delany Heads Field Tonight In Cleveland

CLEVELAND (AP)—Ron Delaney, the leprechaun of the U. S. indoor track competitors, heads a field of 15 Olympians, including seven Gold Medalists, who will participate in the 17th annual Knights of Columbus track meet in Cleveland tonight.

The Irish miller, who won the 1,500-meter event in Melbourne last fall, is a prohibitive favorite to extend his victory streak to 18 straight.

Meet officials are hopeful that Delaney, who is studying marketing at Villanova, sets a new American indoor mile record. The Dublin pacer turned in a 4:03.8, only two-tenths away from a record last week in Chicago.

Clock Biggest Fox

Delaney's strongest opposition will be the clock and the expected capacity crowd will be pulling for the Villanova ace to shatter the four-minute barrier—a feat still unrealized in America.

Annie Sewell, Pitt's great middle-distance man, is another performer who is expected to better his own meet record in the 1,000-yard run. The last-stepping ace set it at 2:11 last March and is co-holder of the world mark—2:08.2.

Two others, Ira Murchison of Western Michigan, who is expected to win the 50-yard dash, and high jump ace Phil Reavis of Villanova, will place unblemished season marks on the line.

Reavis, who cleared 6-9 1/2 in Chicago, will battle it out with Al Urbancas of Illinois, Big Ten King.

Four In Pole Vault

The 50-yard high hurdles will bring together two Gold Medalists—Lee Calhoun of North Carolina and Mill Campbell of Indiana—in the decathlon winner.

The pole vault pits four men, each of whom has consistently cleared the 15-foot mark. They are Rev. Bob Richards, two-time Olympic Gold Medal winner; Don Bragg of Villanova; Don Laz of Illinois and Jerry Welbourn, former Ohio State star.

Spring Homers

Charlie Neal and Don Zimmer drove in four runs with a homer apiece in the seventh inning last night to give Brooklyn a 6-to-3 win over Kansas City at Miami.

Smalley To Play In East-West Game

ANNAPOLIS, Md. (AP)—Dave Smalley has been selected as the first Navy player ever to compete in the Shrine East-West basketball game.

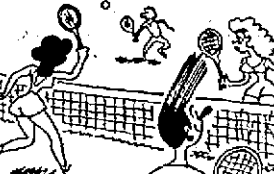

The 6th annual contest will be played at Kansas City Monday. Smalley, the Middle captain for the past two years, was Navy's leading scorer this season with a 12.4 average. He was the second leading rebounder on the squad.

The 6-footer is from Albuquerque, N. M.

West Virginia State Tourney Starts Today

HUNTINGTON, W. Va. (AP)—The best of the 246 West Virginia high school basketball teams that began the season last December started play today for the state's Class A and Class B championships.

A sellout crowd of more than 6,000 was expected in Huntington Memorial Fieldhouse to watch defending Class B champion Barrackville, (22-3) play Meadow Bridge (20-3) in the opening tourney game for Class B honors.

Favored Charleston (23-2) bumped into Wheeling (20-5) in the second game of the matinee doubleheader in Class A.

Tonight's twin bill will pit Burch of Delbarton (24-1), the local Class B favorite, against Hedgesville (22-2) and Class A tourney veteran Beckley (23-1) against Morgantown (24-1), the team with the best record in the finals.

The winners will meet tomorrow for the titles.

In pre-tourney figuring the two Class A entries from Southern West Virginia—Beckley and Charleston—were overwhelming choices to meet in the championship finals.

a long freeze capped off by Swander's decisive shot.

Arnold scored 20 for Memphis and Ken Fairchild was high for the losers with 18.

Bradley set three scoring records Tuesday in trouncing Xavier of Ohio, 116-81. One of them was a 72-point second half. The Braves might have done as well last night after intermission but they built up such a fat lead against Temple that they went into a semi-freeze. Nevertheless, Bradley scored 53 points in the second half against the Owls.

An 18-point burst by Bradley after intermission removed all doubt as to the eventual winner. Barney Cable led the winners with 25 points. Guy Rodgers was high for Temple with 23 points but he had a poor shooting night, connecting on only 7 of 22 field goal tries.

'Slapsie Maxie' Freed On Delinquency Charge

CHICAGO (AP)—Former light-heavyweight boxing champion Max (Slapsie Maxie) Rosenbloom was free today of charges that he contributed to the delinquency of a minor.

The boxer-turned-actor was found not guilty yesterday in Chicago's Domestic Relations Court.

The father of a 13-year-old girl had accused Rosenbloom of taking his daughter to a hotel room where he caressed and kissed her.

The former pugilist denied the charges and said the girl came to his hotel room seeking an autographed picture and was in the room only about three minutes while the door to the room was open.

Celtics, Hawks Notch Openers

By The Associated Press

The Boston Celtics, who had been eliminated in three of four previous playoffs by the Syracuse Nationals, were 1-up today on their New York rivals as they awaited the second game of the National Basketball Assn.'s best-of-five Eastern Division semifinal playoff series.

While the Celtics were rallying after a poor first period to clinch the Nats 105-90 at Boston last night, the Hawks had to hustle at St. Louis to take their Western Division opener from the Minneapolis Lakers 118-109.

Syracuse led the disorganized Celtics after one period, 27-22, but Bill Russell and Arnie Risen then entered the game and Boston began to click, running up a 53-44 halftime lead, and boosting it to 83-64 after three periods.

Russell, who collected 31 rebounds and 16 points, while Frank Ramsey scored 20, Tom Heinsohn 19, and Bob Cousy 18 for Boston. Delph Schayes got 21 for Syracuse, making 15-for-15 from the foul line.

Bob Pettit, who has been playing three weeks with his fractured wrist in a cast, scored 14 of his 22 points in the final quarter to help the Hawks overcome Minneapolis.

Pilarcik Seen As Bird Starter

SCOTTSDALE, Ariz. (AP)—Although manager Paul Richards still refuses to name a starting lineup for the major league opener with Washington April 15, it looks like speedy Al Pilarcik will be in right field for Baltimore.

"From the looks of things we'll have to get our runs by every offensive device we can employ, and we're banking on Pilarcik to help," Richards said.

From the way Pilarcik has played in 10 exhibition games, observers in the Oriole camp feel he may be able to add 20 points to the 251 average he had last year with Kansas City. So far this spring he is hitting .333 and has beaten out four bunts for singles.

FORT HILL KEEPS HI-Y CAGE TITLE

Finding the range early Fort Hill whipped Allegany, 59-30, to win the championship of the Hi-Y basketball tourney last night on the Central YMCA court.

The victors were on top, 15-4, 33-12 and 43-19 at the quarter marks and never in danger as they retained their title.

Shank and Campbell headed the 27-goal attack of the Fort Hill quint by sharing 20 markers. Powell and Miller had eight apiece. Stallings and Leasure accounted for 19 of Allegany's production.

Michigan State averaged more than 61,000 fans per game at its nine football games in 1956.

Berrios Rules 7-5 Favorite

NEW YORK (INS)—Puerto Rico's Miguel Berrios is a 7-to-5 favorite over Carmelo Costa of Brooklyn tonight in the first of a series of 12-round featherweight eliminations for Sandy Saddler's crown.

The bout will be televised nationally (NBC) from Madison Square Garden and the winner takes on the British Empire kingpin, Hogan (Kid) Bassey of Nigeria.

The finalist of that match meets France's Cherif Hamila for the championship.

The World Boxing Federation set up the elaborate elimination series after Saddler, who underwent an operation for a detached retina of the right eye, retired from the ring last January.

Loud speaker amplifiers were first used during a major league baseball game in the Polo Grounds on Aug. 25, 1929.

The practice of branding cattle is not of American origin, but was introduced by the Spaniards.

At its pure state, aluminum has a tensile strength of about 12,000 pounds per square inch.

Turnpike Authority Miffed At Oversight

OKLAHOMA CITY, Mo. — The Oklahoma Turnpike Authority is a little more than unhappy with the state Highway Department. As a promotion for this year's 50th anniversary of Oklahoma statehood, the highway department published a golden anniversary highway map. It left out one thing — the new 88-mile Will Rogers Turnpike from Tulsa to the Missouri Line, which has been under construction 18 months and opens in May.

Volume for volume, aluminum weighs one-third as much as steel.

Judge Defers Verdict In Suit

Associate Judge Neil C. Fraloy, who heard an equity suit involving a brother and sister in Allegany County Circuit Court yesterday, has withheld a decision pending final arguments of the attorneys.

Mrs. Mary Koontz, the complainant, seeks specific performance by her brother, Colin Graham, executor of the estate of the late Robert Graham Sr., of an alleged oral contract. Mrs. Koontz has contended that he performed during a long period of time and during his final illness, she father agreed to give her full title to his property upon his death.

Under terms of Graham's will, said Judge Burgess, he left Mrs. Koontz a life tenancy, but this man was only talking in the home at Mt. Savage but his children and another couple in that denies her the right to dis-

pose of the property. Mrs. Koontz as a housekeeper in his home asserts that she has made repairs and improvements to the residence.

Mrs. Koontz was the first witness in yesterday's hearing. Others were Mr. and Mrs. Robert Pollack, Mt. Savage friends of Mrs. Koontz; Mrs. Ella I. Crabbe, Hyndman, another friend of Mrs. Koontz; George W. Koonitz, the complainant's son; Dr. F. A. G. Murray, local physician; Rev. G. Stanley Schwind, rector of St. George's Episcopal Church in Mt. Savage; Colin Graham, the defendant; John Graham, his brother, and Mrs. Leona Graham, wife of John.

Earl E. Manges and Walter W. Dawson represented Mrs. Koontz and Matthew J. Mullane was counsel for Graham.

Nearly 500 People Attend Local Jaycee Home Show

Nearly 500 visitors came to the storeroom at 38 North Mechanic Street opposite the Maryland Theatre last night as the fourth annual Cumberland Home Show got under-way.

The show, sponsored by the Cumberland Junior Association of Commerce, will continue from 6 until 10 p. m. today and again from noon until 10 p. m. tomorrow.

The Jaycees are giving away an automatic dryer as the show's grand prize. A number of the exhibitors also are offering prizes, which will be awarded Saturday night. No admission is charged.

Kenneth J. Williams, president of the Jaycees, reminded home-
